

Name _____ Inst. _____

Materials and Supplies Objective Sheet

1. Luggage Tag with Name (provided)

Every instrument needs to have the Rogers Band issued luggage tag on the handle.

2. Notebook with Front Insert (provided)

Every student needs to have their band notebook. Your name should be clearly labeled on the front cover. Even if you have one from last year, it is best to use the new notebook we gave you.

3. Pencil and Pencil Pouch (provided)

Your binder should have the pencil pouch and 2 pencils we gave you. You will use your pencil everyday in band and the pouch will help keep you organized.

4. Instrument Supplies

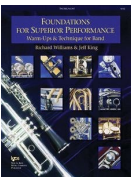

All of the instrument supplies are listed on the reverse side of this sheet. You must have all of the supplies checked off.

5. Metronome/Tuner with Pick-Up

The two main ingredients in music are pitch (the notes) and rhythm. Every band uses a metronome in class everyday. It is only fitting that students practice with one at home as well. The easiest way to tell whether a musician sounds good (or bad) is whether they are in tune (or not). Like the metronome, each band uses a tuner everyday. It is only fitting that students practice with one at home. The recommended tuner/metronome is the Korg TM-50 Metro Tuner with pick-up.

6. Foundations for Superior Performance by: Richard Williams and Jeff King

This series is designed to help organize the daily rehearsal and to improve the overall performance level of the ensemble. From as little as five minutes a day, to forty-five minutes a day, this series offers the flexibility and options to fit any particular band situation. It also provides the director with the resources to meet each student on his or her own level while challenging them to reach the next level. This book will be used daily in every band class. ******percussion do not need this book******
