Ensemble Contest – DONE!!!

We want to congratulate ALL of the students that participated in the Ensemble Contest this Friday at PHS. It was a huge success! What made this event so unique is that it was mostly student driven on preparation, rehearsing and performance. We are so proud of their performances! The judges had so many great things to say about the performances. We will be passing back comment sheets from the judges to all participating students. **Thank you, parents,** for making sure the students were in place and on time. It was also great to see so many parents come to watch the performances, also!

We gave the judges an option of selecting ensembles that exemplified the performing ensembles in performance and preparation. These ensembles, in the judges' eyes, exemplified not only what was written on the pages of music, but was played with beautiful tone, musicality and maturity. We are proud to announce that they selected SEVERAL ensembles to be named outstanding ensembles of the night. The ensembles selected were:

Concert Band I High Brass
Sym Winds Brass Quintet #1
Sym Winds Brass Quintet #3
Sym Winds Woodwind Quintet #1
Sym Winds Saxophone Quartet
Sym Winds Clarinet Trio #2
Sym Winds Oboe / English Horn Duet

Congratulations!
